Gender Inclusive Housing				

Gender inclusive housing is to assist residents wishing to reside in university housing where the gender of the roommates, suitemates, and/or floormates is not taken into consideration when the housing is assigned through the Department's assignment process.

Gender-Inclusive Housing is intended to support all residents and is available to any LGBTQ+ resident who feels they would be more comfortable in a gender inclusive room / suite, as well as to any resident who believes they could provide a welcoming and inclusive space for another resident based on that resident's gender identity.

Read more on Gender-Inclusive Housing on our website.

A package with a meal plan and Dining Dollars are required for all residents living on campus (with the exception of Sunvilla and Monroe apartments). All students must choose a meal plan and Dining Dollars when filling out a housing application.

The most popular meal plan choices for residential students are the 14-meal plan and the \$165 Dining Dollars package.

Meal plans may only be decreased on or before the third week of the semester but can be increased at any time.

MEAL PLAN OPTIONS	DINING DOLLARS				
Unlimited Meals per week	You Pay	You Get	You Save		
19 Meals per week	• \$280	\$307	\$27		
14 Meals per week	• \$215	\$236	\$17		
10 Meals per week	• \$165	\$181	\$16		

The meals-per-week portion of the plan resets every Monday and allows access to all three of our all-you-careto-eat dining centers, Blair-Shannon, Garst, and The New Residence Hall.

Dining Dollars are a dollar-for-dollar declining balance plan, similar to a debit account and are loaded onto the student's BearPass ID each semester. Each time a purchase is made, those dollars are subtracted from the balance.
