ON-CALL

RAs respond to lockouts, emergency situations, and policy violations. RAs also monitor residence hall conditions, and complete work requests for maintenance and custodial issues as necessary. Being on-call is an ideal time to be visible throughout the residence hall. It provides time to visit with residents and socialize with other RAs.

OUTSIDE INVOLVEMENT

In addition to the RA position, RAs in their first semester may be employed up to ten hours per week outside of Missouri State. Returning Resident Assistants may be employed up to 15 hours per week outside of Missouri State. Outside employment must be approved by the supervising Hall Director and Assistant Director before the RA can begin working. If an RA is unable to balance outside employment and uphold expected performance as an RA, progressive disciplinary action may be taken.

RAs may not assume any role of leadership or service that might prevent them from being adequately available to residents and perform RA duties. All extracurricular activities are subject to the approval of the supervising Hall Director prior to participation. An RA who would like to hold an executive position within an organization must first consult with their Hall Director.

RAs must receive approval from the Associate Director to participate in a practicum or internship experience. Experiences that take RAs from the floor for a significant period of time may not be approved, including experiences which are required for academic programs.

RAs may not participate in varsity athletics, marching band, student teaching, or be a SOAR Leader.

Resident Assistants must sign a housing contract and pay the required security deposit, and assume responsibility for all long-distance telephone bills.

FINANCIAL ASSISTANCE AGREEMENTS MAY AFFECT FINANCIAL AID AWARD

Rev. 9/2024

The federal government requires the University to monitor all the resources available to a student who receives federal financial aid. If RA applicants applied for or are receiving a Perkins Student Loan, Missouri Grant, Supplemental Grant, Work-Study job, or a Stafford Loan, those sources of aid may be affected if the applicant becomes an RA. RA applicants should check with the Financial Aid Office before accepting a Graduate Assistantship, Resident Assistantship, Cooperative Education position, or any other part-time job to determine what financial aid adjustment, if any, might be necessary.

ROOMMATES

The Residence Life, Housing and Dining Services Department, as stated in the Resident Assistant Financial Assistance Agreement, Line 18, will provide the RA with residence hall room (private room as space allows). The possibility exists that a roommate may be placed with the RA for any amount of time. RAs will be compensated \$5.50 per day if assigned a roommate.
