Please follow the instructions below to ensure you and your friend are doing everything you need to do, from the request to the confirmation!

How to select and confirm your preferred roommate:

- Search** for your preferred roommate by student ID # (i.e. M#) *or* by first & last name; you don't need both. (They **MUST** have a **completed** housing application for you to find them.)
- Once you find them, click **Select** and then **Finish** to save this roommate request.
- That person will receive an **email with instructions** on how to accept / deny the request.
- The preferred roommate request is confirmed when the status says **Leader** or **Member**, *not just Invited*.
