BEFORE YOU ARRIVE

PACKING LIST

We've put together a list of items that we recommend bringing with you and items that are better left at home. When choosing decorations for your room, keep in mind that they must be removable without damaging your walls and not pose a fire hazard.

CONTACT YOUR ROOMMATE(S)

We encourage you to contact your roommate(s) and suitemate(s) before moving in. You can find contact information through [My.MissouriState.edu](https://my.missouri-state.edu). Get to know each other and communicate about what you'll be bringing (to avoid having duplicate items) and if you are willing to share.

BRINGING A BICYCLE?

There are bicycle racks located throughout campus, including outside all of our residence halls and dining centers. Bicycles are not allowed in university classrooms or academic buildings, but they can be stored in your residence hall room.

Consider registering your bicycle with University Safety, where you will receive a free decal and U-lock for your bike. This will assist the university and law enforcement agencies in recovering your bicycle in the event that it is stolen.

PERSONAL PROPERTY INSURANCE

Missouri State University is not responsible for loss or damage to your personal items. We highly recommend renter's insurance if personal items are not covered under your family's insurance plan.

KNOW THE POLICIES

On-campus residents must comply with the expectations and policies associated with living on the Missouri State University campus. Visit the policies page on our website to review these documents before you arrive.

TOBACCO AND SMOKING POLICY

Missouri State University strives to ensure a healthy environment by promoting a culture of health and wellness. It is expected that all students, faculty, staff and visitors comply with the Tobacco Use Policy. Smoking and the use of tobacco products is allowed only inside private vehicles located in university parking lots and in designated smoking areas during specific or special performances or events. "Smoking and the use of tobacco products" is defined as the smoking of tobacco via cigarettes, cigars, or pipes or the use of devices or products that may be used to smoke or mimic smoking (including bong, hookahs, vaporizers, e-cigarettes, etc.).

MOVE-IN WEEK

HOW TO MOVE IN

Be sure to bring a photo ID with you (preferably your BearPass). If you are arriving between August 16 and 19 you will begin the process of checking in at **Kentwood Residence Hall**. To navigate to the check-in area through a GPS system or app, search **701 E. St. Louis St., Springfield, MO, 65806**. This will direct you to the North side of the building. Follow the signs to enter the lane according to your building. You will receive the keys to your room, mailbox, and an access card for your building, without having to leave your car!

After you have received your check-in items, follow the move-in map and roadside signage to your building where you can unload. After unloading, please be sure to move your car to a designated parking lot to allow other families the ability to unload near their building.

WHEN CAN I MOVE IN?

The check-in process will occur August 16-20, in which move-in times will be selected or assigned. If you are part of a group who moves in early such as Ursa, Band, Football, etc. your program coordinator will contact you with additional details.

Move-in day/time scheduling is available now, through July 25 if you have a housing assignment.

Schedule a time by going to:

 [My.MissouriState.edu](https://my.missouri-state.edu)

- ▶ Discover the Housing card
- ▶ Move-in Time Selection

MOVE-IN ASSISTANCE

Each August our Bear Crew, comprised of students, faculty, and staff, joins together to welcome our Bears to campus and assist them moving their belongings into their residence hall. Bear Crew will be stationed at buildings during peak move-in times to assist in the move-in process. We have a limited number of luggage carts and rolling bins available for use, but you are also welcome to bring your own dolly or cart.

DINING INFO

Dining options will begin August 16 for those assigned to move in. Instructions will be provided at check-in to use August 16-17. University meal plans will begin August 18, when students will use their BearPass student ID.

Meal times will be posted in each lobby and online.

ON-CAMPUS PARKING

MOVE-IN DAY PARKING

We will provide an unloading pass for your residence hall to place in each vehicle. This pass is valid only for unloading in front of your building during your scheduled move-in time.

After unloading, you may park in any of the residence hall lots, in Bear Park North or Bear Park South parking garage.

PARKING PASSES

You must have a residence hall room assignment and be registered for fall classes before requesting a parking permit. On-campus parking permits may be purchased online or in-person at the Transportation Services office.

Students are issued permits for the parking lots based on their residence hall assignment. Students with a red or green parking pass may park only in a lot with a sign matching their permit's color.

If you are in need of accessible parking, you must have a university parking permit as well as a state-issued disabled placard or license plate.

GET READY TO STOP, DROP AND ROLL

Make sure you're ready to roll once you arrive on campus. We ask that you STOP your car, DROP off your belongings, and ROLL your car to a parking lot, to allow other students and families the opportunity to unload close to the building.

BE PREPARED

Parking regulations are enforced on campus 24-hours a day, 7 days a week. Keep a university parking map in your vehicle, know the rules and realize that spaces are limited. Campus is busiest between 8 a.m. through 5 p.m. on weekdays.

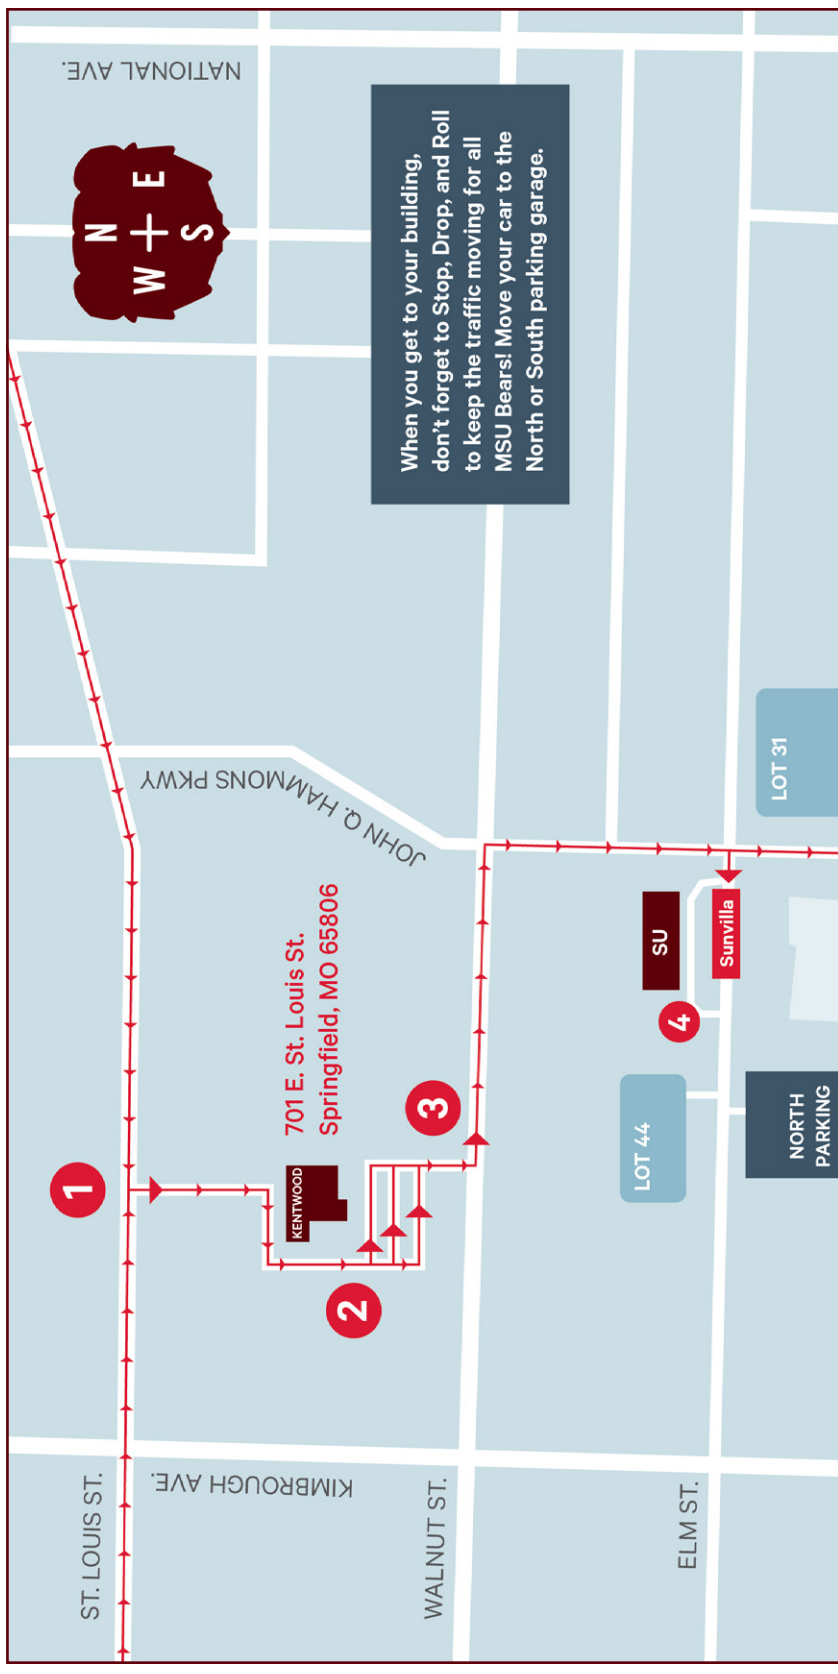

If you can't find an empty spot in your preferred lot, try north parking lots (Bear Park North, 44 and 31) then take a BearLine shuttle to your destination. The university reserves the right to close specific lots to permit holders for use during special events or maintenance.

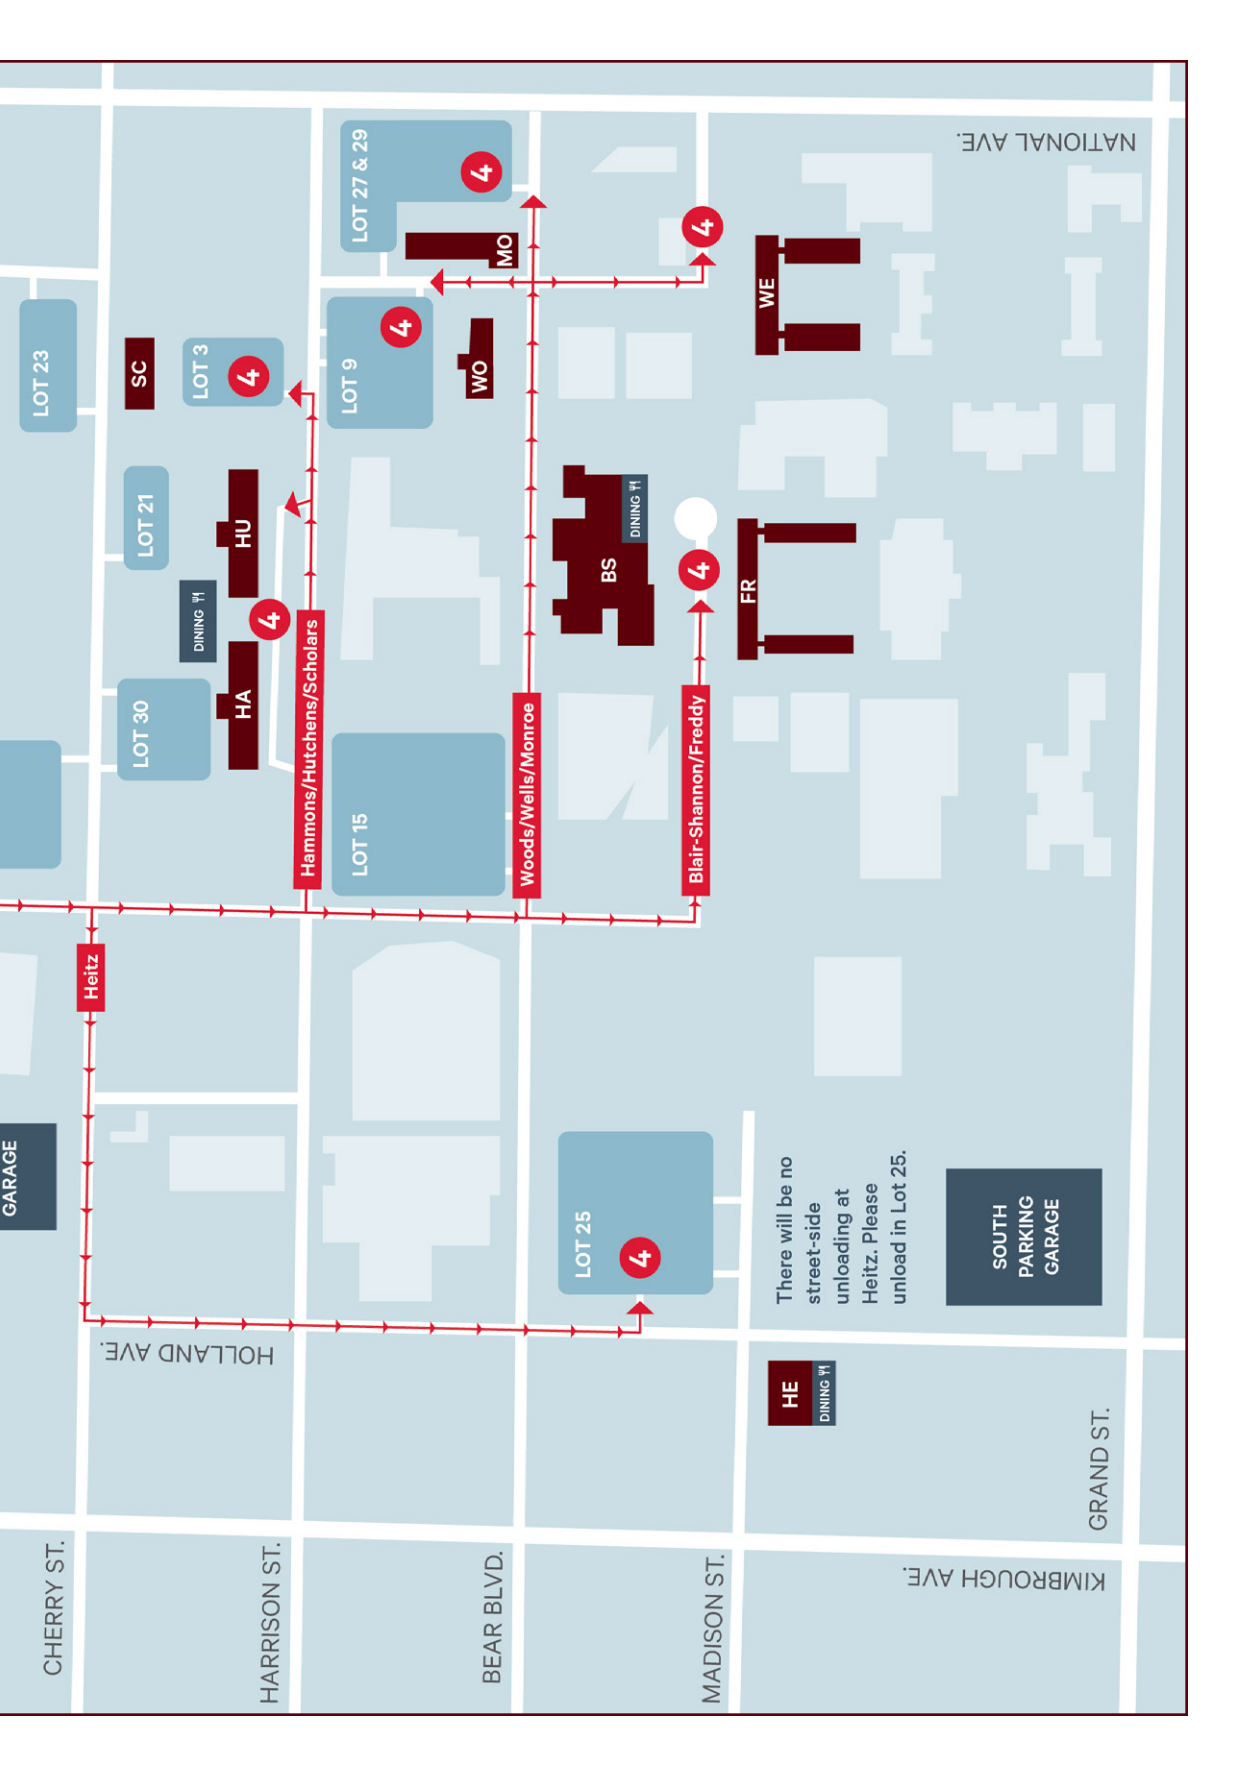

MOVE-IN MAP

Please follow these steps on August 16-19 to help us welcome you to campus as efficiently as possible. We are so glad you're here!

SERVICES *and* AMENITIES

MAINTENANCE REQUESTS

Our facilities team uses an electronic request system that notifies the Work Management Office of maintenance and custodial requests. All routine, non-emergency work can be requested via an online form.

You can also notify the front desk of your residence hall, and they will be happy to assist you in submitting a request for your room. If you have an emergency request, please notify the front desk immediately.

SUBMIT A MAINTENANCE REQUEST:

 Request.MissouriState.edu:444/Home.htm

MAIL AND PACKAGES

Your mail will be sorted by our front desk staff and delivered to your mailbox, which you will share with your roommate. If you receive a package, it will be kept behind the front desk and you will receive a package slip in your mailbox. You will need to bring your BearPass student ID and package slip to the front desk to retrieve your package.

SAFETY MEASURES

Our campus and residence halls offer an on-campus Springfield police substation, electronic card access entry system, evening Safe Walk service, 24-hour reception desk staffing, and deadbolts and peepholes on all residence hall doors. However, we expect students to understand that the safety and security of each residence hall depends in part upon the students' own actions.

Residents are asked to watch out for and protect their "home away from home" and the members of their community. All residence hall exterior doors are only accessible by residents of that building, using their access card. Allowing someone to enter behind you without a resident escorting them or without using an access card, should be actively discouraged by all residents. Students should lock the door behind them when they go out (even if they just go down the hall) and when they are sleeping. Never loan out your key or access card to someone else.

They are available to address any of your technology-related questions and concerns with your personal devices while you live on campus.

WHAT TECHNOLOGY IS PROVIDED?

A fully equipped 24-hour computer lab is provided in all residence halls. Computers in these labs offer the latest in hardware and software technology, including Microsoft Office 365.

RESNET OFFICE HOURS:

RESNET 
RESIDENTIAL TECHNICAL SUPPORT

CONNECTING TO THE INTERNET

On-campus residents can connect to the network titled “MSU” or “MSU Residential” and log in using their Missouri State Account ID and password. You can connect most laptops, desktops, tablets and smart phones to our Wi-Fi networks.

Each resident has an Ethernet jack in their room. We recommend a wired connection for your best streaming/gaming experience.

PRINTING

Each residence hall has a front desk printer that residents can use for free. Every resident is given 350 pages to print per semester (double-sided pages only count as one page). Pages do not roll over to the next semester. If you need more pages added to your account, contact the Residence Life main office; the cost is 100 pages/\$5.00.

Students will also be able to print at the Meyer Library and other campus computer labs. Residents can bring their own personal printers but wireless printers are not allowed.

Housing and meal plan fees will be placed on the student's university account in August for the fall and in January for the spring. Students who are eligible to use My Payment Plan will find the terms and conditions on the Financial Services website. All payments should be made online or payable to Missouri State University and sent directly to the Bursar's Office.

FURNITURE

Each residence hall student has an 80" extra-long twin-size bed, drawer space and an area for hanging clothes. Each student will have a desk and chair, and drapes are also provided. You may bring rugs for the tile and vinyl floors to make your room feel more like home. Furnishings and floor styles vary by building and apartment. You can find specific information about room dimensions and amenities for your building online.

ON-CAMPUS HOUSING:

 ResLife.MissouriState.edu/Residence-Hall-Living.htm

LAUNDRY

Laundry rooms are available in all residence halls. Most washers and dryers are high efficiency (HE) machines, so we recommend bringing HE certified detergent.

WHO'S WHO?

RESIDENT ASSISTANTS (RAs)

RAs are returning students who live on the same floors as the residents and will often be your first point of contact in case of an issue. They want to get to know you, help get you connected to the university, and provide you with support to make your on-campus experience the best it can be!

FRONT DESK STAFF

The front desk staff are available 24 hours a day, 7 days a week. Receptionists, Night Hosts and desk staff members answer questions, check out equipment, organize and distribute mail and packages, and can contact staff in case of a lockout or emergency.

HALL STAFF

Our Hall Staff is comprised of Hall Directors and Assistant Hall Directors. Their role is to support student success, health and safety. This includes facilitating student conduct meetings, managing their residence hall, and addressing student concerns.

CONNECT *with your* COMMUNITY

YOUR FIRST FLOOR MEETING

Your first formal opportunity to meet your RA and the people on your floor will be at your mandatory first floor meeting. This meeting will introduce you to your new community, its policies, opportunities to get involved and other important information about living in a Missouri State University residence hall.

 Dates and times vary by building and floor

GET INVOLVED

Joining on-campus organizations that interest you can be one of the best ways to meet new people and make a difference in the Missouri State community. There are hundreds of student organizations to choose from, including leadership opportunities in the area of Residence Life!

If you're interested in helping plan events and create change in your residence hall, consider these student organizations:

- Residence Hall Association (RHA)
- Hall Council
- National Residence Hall Honorary (NRHH)

TIPS FOR ROOMMATE SUCCESS

COMMUNICATE EFFECTIVELY

You and your roommate may have different communication styles, which can cause conflicts if these differences are not discussed before problems arise. It can be helpful to discuss how you plan to handle conflict and develop a plan to split the responsibilities of living together in a room or suite (cleaning, buying supplies such as toilet paper, etc.).

DISCUSS COMMON ISSUES

Communication is essential for a positive relationship with your roommate and/or suitemates. Future problems can be avoided if potential conflicts are discussed and agreements are reached early in the semester.

Some common issues between roommates involve:

- Cleaning habits
- Noise level preferences
- Policy violations
- Study and sleep habits
- Differences in communication styles

Utilize a Roommate Agreement as a proactive tool to discuss how you and your roommate and/or suitemates will share your space. If you would like a Roommate Agreement, your RA can provide one and help mediate the conversation.

COMPROMISE

Remember that each roommate has their own ways of living in a shared space. When differences arise, coming to an agreement may involve compromise, so it is important to be open and flexible, yet assertive about your own preferences. Being willing to compromise will make living together more enjoyable for everyone in your shared space.
